

Diagram of a theater floor plan showing seating areas and stage layout.

The stage is labeled "ステージ" (Stage) at the top center.

The seating areas are divided into three main sections:

- Left Section:** Rows A through L, with 11 seats per row. Rows A through E are numbered 1-11. Rows F through L are numbered 1-11.
- Middle Section:** Rows A through L, with 23 seats per row. Rows A through E are numbered 12-23. Rows F through L are numbered 12-23.
- Right Section:** Rows A through L, with 31 seats per row. Rows A through E are numbered 24-31. Rows F through L are numbered 24-31.

Additional seating areas are located below the main sections:

- Bottom Left:** Rows M through T, with 11 seats per row. Rows M through Q are numbered 5-11. Rows R through T are numbered 1-11.
- Bottom Middle:** Rows M through T, with 23 seats per row. Rows M through Q are numbered 12-23. Rows R through T are numbered 12-23.
- Bottom Right:** Rows M through T, with 31 seats per row. Rows M through Q are numbered 24-30. Rows R through T are numbered 24-34.

Key features and labels:

- 入場口** (Entrance): Located on the left side of the bottom section.
- 非常口** (Emergency Exit): Located on the left and right sides of the bottom section.
- 映写室** (Projection Booth): Located at the bottom center.
- ※外** (Outside): Located at the bottom right corner.
